Dear Guest:

Thank you for your interest in having your golf tournament at one of your Joint Base Charleston golf courses! As part of one of the Air Force's premier golf complexes, our staff is highly qualified to assist you with planning and coordinating your golf tournament.

With careful attention to detail, we take pride in assisting you at every stage – from preliminary planning to smooth coordination and execution on tournament day. Our staff of professionals will help determine the tournament format that is best suited for your event. Our innovative food-and-beverage staff offers a variety of customized menus and specializes in providing the highest level of service. From a major corporate outing to a smaller squadron event, you can rely on our experienced tournament specialists to help you orchestrate a truly memorable golf experience.

A golf tournament is also a great opportunity for your group or organization to raise money. The following pages will serve as a guide for you. You will find information regarding the various tournament formats, the avenues for raising money and the responsibilities of being a tournament director.

We have a common goal of ensuring a successful tournament. Please keep in close contact with us during this process; we're here to assist you and your organization in every way.

Thank you again for your interest in the Joint Base Charleston Golf Operations. Hosting your tournament at one of our courses is truly appreciated and represents a valuable reinvestment in your base and the community of Joint Base Charleston. We look forward to working with you!

Sincerely,

Aaron Sales, PGA
Director of Golf

HOW TO MAKE YOUR TOURNAMENT FUN AND PROFITABLE

A fundraiser golf tournament is an opportunity for a booster club, squadron or private organization to have a day of fun and raise money for their organization at the same time. There are many benefits to running a fundraiser golf tournament. For one, a tournament is a great way to boost morale! The event provides a great opportunity for folks to interact outside of the office and spend time relaxing and playing a game many do not get the opportunity to play often enough. Another great benefit of a golf tournament is that it requires low manpower with maximum return. A successful event can be run by two or three individuals in an organization. If you were to operate a car wash or bake sale, you would have to dedicate far more personnel.

For the non-golfer, coordinating a tournament can be a daunting task – not the case with us. This guide provides step-by-step instructions to ensure your event is a success. You may also lean on our professional tournament staff to assist you with anything you may need. We are here to ensure that your event is fun and profitable.

Formats of Play and Definitions:

- *Captain's Choice / Scramble* – A good format for a large group of recreational golfers. The players can pick their own teams or they can be randomly selected. Each player tees off at the beginning of each hole: The team selects the best ball position, hits from the selected position, and continues this format until the ball is holed.
- *Shamble* – A good format for more experienced players. This format is more competitive for players and offers more scoring variations. Each player tees off at the beginning of each hole: The team selects the best ball position, hits from the selected ball position, and continues to hit their own ball from this point forward until their ball is holed. It is recommended to take the best score to represent the team score for each hole.

Optional Scoring Method:

- *Modified Peoria Handicap System* (allows each team equal opportunity to compete):
 - Groups tee off and complete their rounds scoring in the normal fashion with one exception: double par is the maximum (i.e., 8 is the maximum score on a par 4).
 - The local PGA Professional secretly selects six holes (one par 3, par 4, and par 5 on the front and on the back nine). Competitors do not know which holes have been selected. Following completion of play, the six Peoria holes are announced.
 - The scorer will total the six secret hole scores for each team. That total is multiplied by 3; par is subtracted from that total; then the resulting number is multiplied by 80 percent. This is the team's handicap. Example: On the six holes, the team uses 21 strokes. 21×3 is 63. Par 72 minus 63 is +9. Eighty percent of 9 is 7.2 (round off to 7). Seven (+7) is the handicap. The team's gross score is 56; 56 plus 7 results in a Peoria System net score of 63.
 - Add the handicap for gross scores under par. Subtract the handicap for gross scores over par.

Starting Time Definitions:

- *Shotgun Start (More than 72 players)* – Each team begins on a different hole on the golf course at the same time. This is a great way for everyone to start and finish near the same time.
- *Modified Shotgun Start (40 to 71 players)* – This format is very similar to a shotgun start, but is only utilized when an organization does not have the capacity to fill the golf course. We will fill in the shotgun with regular play.
- *Tee Times (Less than 40 players)* – Teams begin play in eight minute intervals off the first hole. This format is effective for small groups or for outings where not all players can arrive at the same time.

Let's Make Some Money:

It's important that we maximize resources, capitalize on this event and turn your efforts into profit. Your golf fees are the only fix costs. The difference between your fixed costs and the entry fee is your profit.

Example:

Entry Fee:	\$55.00
Total fees:	<u>\$45.00</u>
Differences:	\$10.00
# of Golfers:	<u>x 100</u>
Your Profit:	\$1,000.00

The following options are things that make the game enjoyable, but more importantly add dollars to your bottom-line:

- *Sell Mulligan's, String, and Red / Junior Bombers:*
 - Mulligan: An extra free shot anywhere on the course.
 - String: Usually 1-3 feet of yarn. *Example*: a player's putt stops 6 inches short of hole; use 6 inches of string to make that putt good.
 - Red Bomber: Men get to hit from the red tees on a hole of their choice.
 - Junior Bomber: Ladies get to hit from the junior level 2 tees on a hole of their choice.
 - Maximize your Profits: We recommend not limiting the quantity players can purchase.
- *Sell Additional Door Prizes Tickets*: Each player should get a free ticket just for playing in the event, but you may also sell additional tickets if they want a better chance to win some great prizes.

Conduct A Fun Event & Maximize Participation:

- *Door Prizes:* Getting a good collection of donated prizes from local businesses is a great way to ensure the majority of your players go home with something. You can also randomly select a numbered golf car to win door prize. We recommend you advertise the number of door prizes and highlight some of the big ones in your publicity to attract more players to the event.
- *Prizes for Tournament Winners:* You will want to consider prizes for at least 1st, 2nd, and 3rd places. Some groups even have a prize for the last place team as a consolation.
- *Offer Closet-To-The-Pin and Long Drive Competitions*
- *Hole-In-One Prizes & Insurance:* Having a large prize like a car or \$10,000 cash for the person(s) who make a hole-in-one is a great way to attract players to your event. The following companies can assist you:
 - Hole-In-One International***: 1-800-827-2249, www.holeinoneinternational.com
 - Putting Contest Insurance, Million Dollar Shoot-outs, Hole-in-One Insurance, Hole/Contest Partner Signs.
 - Coastal Golf Marketing***: 843-881-1804 / 843-708-8294, golfmktg@bellsouth.net
POC: Mr. Jody Riggs for hole-in-one insurance and more.

PROMOTING YOUR EVENT

The most important way to ensure a successful event is to promote it. We recommend you start promoting your event 4 - 5 weeks prior to the event date. AFB Legal office must approve the fundraising event prior to promoting it. The list below contains avenues that you can use to promote your tournament:

- *The Golf Courses at Joint Base Charleston website and periodic emails to our golfer database:*

FAQ'S

1. *Can I raise more money by taking my tournament off base?*

Not without increasing your entry fee to cover the more expensive costs you may incur. With all of the amenities and accommodations we provide, there is no better place to host your event. You will be provided with the best value for the price paid. Hosting your tournament with us is truly appreciated and represents a valuable reinvestment in your base and the community of Joint Base Charleston.

2. *What is the condition of the golf course?*

The courses are in their best condition in over 30 years. We have reinvested over \$5 million into include new Tif-Dwarf Bermuda and Sunday Ultra-Dwarf Bermuda greens, new bunkers, new Tif-Way Bermuda fairways, a new clubhouse with nine-acre practice facility including practice bunker and putting/chipping green, new maintenance equipment and golf carts. Our professional staff is highly qualified to assist you with planning and coordinating your golf tournament. With careful attention to detail, we take pride in assisting you at every stage – from preliminary planning to smooth coordination and execution on tournament day.

3. *Do I need donations?*

Getting donations is a great way to add to your prizes and add to your bottom-line profitability. Having plenty of prizes will help maximize participation for your event. Any donations you collect become prizes you do not have to spend money to purchase. We recommend starting early in the year to maximize the prizes for your event.

4. *Can players bring their own food and drink?*

We do not permit outside food or beverages. Please make this clear to those registering for the event so they will not have a problem the day of the event. A discount on the package price is given to organizations that choose us to cater the event.

5. *What prizes are awarded?*

We recommend awarding the 1st, 2nd and 3rd place teams. Also, for fun, you can award the last place team a consolation prize. The golf course will make a contribution to your prize fund for each player that participates depending of the package selected. For example, if you have a 100-player event for the Eagle Fundraising package, the golf course will contribute \$300 (\$3 pp) worth of gift certificates to the organization to distribute how they see fit for the event.

6. *Is one beverage car enough for my event?*

One beverage car is more than adequate for any event. Our staff is very well trained and players can expect to see the beverage car at least 3 times throughout their round. Alcoholic beverages, sodas, water, and numerous snacks will be sold directly to the players during the event. In addition, water coolers are located on the course at every other hole.
