FSS IN-FACILITY ADVERTISING

Have your business seen by the Joint Base Charleston community by advertising within the FSS facilities. Clients are responsible for providing posters as a finished product, in-frame, as well as provide hanging hardware for each poster. Poster size is expected to be 22" x 28," vertical. Finished product can be displayed in various base facilities in high visibility locations. No more than five advertising posters will be permitted in one location. Advertiser has two base options - Joint Base Charleston Air Base or Weapons Station - and must decide which location best fulfills their marketing needs. Locations are subject to availability.

POSTER ADVERTISING RATES

Rates are per month. Pre-approval of design, content and proof of inclusion of federal endorsement disclaimer by the FSS Marketing Department is required before the advertising agreement is final. Disclaimer reads, "Paid Ad. No federal endorsement of advertiser intended or implied." Agency discounts do not apply.

THE BREEZE

The website includes pages for every FSS facility at both the Air Base and Weapons Station and connects to several facilities' Facebook pages. Ad should be 150 dpi, RGB and saved as a .jpg format. Target URL needs to be provided at time of submitting final artwork. Graphic/design services are available through FSS Marketing to build or rework ads. Ad will be placed on the right side column of the website.

The public website for the 628th Force Support Squadron at Joint Base Charleston - JBCharleston.com - is a popular and well-visited site by both the Air Base and Weapons Station personnel. About 33% of our site traffic is from outside the base seeking information on lodging, employment opportunities and recreational activities.

DEMOGRAPHICS ARE GOING TO GO HERE

Joint Base Charleston is one of 12 DoD Joint Bases and is host to over 60 DoD and Federal agencies. The 628th Air Base Wing delivers installation support to a total force of over 90,000 Airmen, Sailors, Soldiers, Marines, Coast Guardsmen, civilians, dependents, and retirees across four installations including the Air Base and the Weapons Station. The base maintains \$7.5 billion in base property and capital assets spanning 3 seaports, 2 civilian-military airfields, 39 miles of rail and 22 miles of coastline totaling almost 24,000 acres. A few unique programs include operation of 3 locomotives critical to moving crucial munitions, MRAPS, and tanks, as well as participation in the Global Threat Reduction Initiative. Joint Base Charleston also offers unique installation support missions including the harbor security patrol, the transportation isolation system (TIS), and the Cooper River dredging. The mission consists of 6 different focus areas: installation support, airlift & airdrop operations, training Naval nuclear operators, deployable logistics, multi-mission warfighter support and inter-agency cooperation.
